1. School Mission

At St Mary's Catholic Primary School, our Mission is:

**TO LOVE GOD ABOVE ALL THINGS
BY
LEARNING TOGETHER
LOVING OURSELVES
LOVING EACH OTHER
LOVING ALL PEOPLE
LOVING LIFE ITSELF
AND
CONSTANTLY STRIVING FOR
EXCELLENCE
WORTHY OF OUR GOD-GIVEN GIFTS.**

2. Aims

St Mary's Catholic Primary School aims to:

- Run an ECT induction programme that meets all of the statutory requirements underpinned by the Initial Teacher Training and Early Career Framework (ITTECF);
- Provide ECTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers;
- Make sure all staff understand their role in the ECT induction programme.

3. Legislation and statutory guidance

This policy is based on:

- The Department for Education's (DfE's) statutory guidance 'Induction for early career teachers (England)';
- The Initial Teacher Training and Early Career Framework (ITTECF);
- The Education (Induction Arrangements for School Teachers) (England) Regulations 2012 (as amended).

The 'relevant standards' referred to below are the Teachers' Standards.

4. The ECT induction programme

The induction programme will be underpinned by the ITTECF, enabling ECTs to understand and apply the evidence and practice statements set out in the ITTECF.

Prior to the ECT serving their induction, the headteacher and appropriate body must agree that the post is suitable.

For a full-time ECT, the induction period will typically last for 2 academic years. Part-time ECTs will serve a full-time equivalent induction period.

The programme is quality assured by our appropriate body, Star Appropriate Body Birmingham, which is a teaching school hub approved by the Secretary of State.

We work in partnership with Bishop Challoner Teaching School Alliance, using the EDT Early Career Framework programme to deliver statutory induction training and support.

4.1 Posts for induction

Each ECT will:

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period;
- Have an appointed induction tutor, who will have qualified teacher status (QTS);
- Have an appointed induction mentor, who will have QTS;
- Have a reduced timetable to allow them to undertake activities in their induction programme. In their first year, this will be no more than 90% of the timetable of our existing teachers on the main pay scale, and in their second year, this will be no more than 95% of the timetable of our existing teachers on the main pay scale;
- Regularly teach the same class;
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts;
- Not be given additional non-teaching responsibilities without appropriate preparation and support;
- Not normally teach outside the age range and/or subjects they have been employed to teach;
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis.

4.2 Support for ECTs

We support ECTs with:

- Their designated induction tutor, who will provide day-to-day monitoring and support, and co-ordinate their assessments;
- Their designated induction mentor, who will provide regular structured mentoring sessions and targeted feedback;
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback;
- Regular professional reviews of their progress, to take place termly (except in terms where formal assessment is held), at which their induction tutor will review objectives and revise them in relation to the relevant standards and their current needs and strengths;
- Chances to observe experienced teachers, either within the school or at another school with effective practice.

4.3 Assessments of ECT performance

Formal assessment meetings will take place in the final term of the ECT's first year (term 3) and the final term of their second year (term 6), and will be carried out by either the headteacher or the ECT's induction tutor.

These meetings will be informed by clear and transparent evidence gathered from progress reviews during the preceding assessment period, and drawn from the ECT's work as a teacher and from their induction programme. Copies of the evidence relied on will be provided to the ECT and, if requested, the appropriate body.

After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The headteacher will also recommend to the appropriate body in the final assessment report at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.

The ECT will add their own comments, and the formal assessment report will be signed by the headteacher, induction tutor and the ECT. A copy of the formal assessment report will then be sent to the appropriate body. The final assessment report will be sent within 10 working days of the meeting, for the appropriate body to make the final decision on whether the ECT has passed their induction period.

In the event that the ECT leaves this post after completing one term or more but before the next formal assessment would take place, the induction tutor or headteacher should complete an interim assessment to ensure that the ECT's progress and performance since the last assessment is captured.

4.4 At-risk procedures

If it becomes clear during a termly progress review or at the first formal assessment point that the ECT is not making sufficient progress, additional monitoring and support measures will be put in place immediately, meaning:

- Areas in which improvement is needed are identified;
- Appropriate objectives are set to guide the ECT towards satisfactory performance against the relevant standards;
- An effective support programme is put in place to help the ECT improve their performance.

The progress review record or formal assessment report will be shared with the appropriate body, alongside the support plan, for it to review.

If there are concerns about the ECT's progress during their subsequent progress reviews or formal assessment, as long as it is not the final formal assessment, the induction tutor or headteacher will discuss this with the ECT, updating objectives as necessary and revising the support plan for the next assessment period.

5. Roles and responsibilities

5.1 Role of the ECT

The ECT will:

- Provide evidence that they have QTS and are eligible to start induction;
- Meet with their induction tutor at the start of the programme to discuss and agree priorities, and keep these under review;
- Agree with their induction tutor how best to use their reduced timetable allowance and guarantee engagement with their ITTECF-based induction;
- Provide evidence of their progress against the relevant standards;
- Participate fully in the monitoring and development programme;

- Participate in scheduled classroom observations, progress reviews and formal assessment meetings;
- Agree with their induction tutor the start and end dates of the induction period, and the dates of any absences from work during the period;
- Keep copies of all assessment reports.

When the ECT has any concerns, they will:

- Raise these with their induction tutor as soon as they can;
- Consult with their contact at the appropriate body at an early stage if there are difficulties in resolving issues with their induction tutor or within the school.

5.2 Role of the headteacher

The headteacher will:

- Check that the ECT has been awarded QTS and whether they need to serve an induction period;
- Agree, in advance of the ECT starting, who will act as the appropriate body;
- Notify the appropriate body when an ECT is appointed, in advance of them starting;
- Make sure the ECT's post is suitable according to statutory guidance;
- Make sure an appropriate ITTECF-based induction programme is in place;
- Make sure the induction tutor is appropriately trained and has sufficient time to carry out their role effectively;
- Make sure the induction mentor is appropriately trained and has sufficient time to carry out their role effectively;
- Make sure the ECT's progress is reviewed regularly, including through observations and feedback of their teaching;
- Make sure that formal assessments are carried out and reports completed and sent to the appropriate body;
- Maintain and keep accurate records of employment that will count towards the induction period;

- Make sure that all monitoring and record keeping is done in the least burdensome and most streamlined way;
- Make the governing board aware of the support arrangements in place for the ECT;
- Make a recommendation to the appropriate body on whether the ECT's performance against the relevant standards is satisfactory;
- Participate in the appropriate body's quality assurance procedures of the induction programmes;
- Keep all relevant documentation, evidence and forms on file for 6 years;
- Register with the DfE's online service to provide details of the ECT(s), induction mentor, appropriate body, induction tutor, and chosen training option.

5.3 Role of the induction tutor

The induction tutor is expected to:

- Assess the ECT's progress against the Teachers' Standards through regular progress reviews, making rigorous and fair judgements;
- Recognise when early action needs to be taken when an ECT is having difficulties;
- Provide or coordinate guidance for the ECT's professional development;
- Undertake 2 formal assessment meetings during the induction period;
- Make sure the ECT's teaching is observed, and that feedback is provided – there should be no unexpected judgements regarding their progress.;
- Make sure the ECT knows how to raise concerns about their induction programme or personal progress, both internally and externally;
- Make sure record keeping and monitoring is done in the least burdensome way;
- Inform the appropriate body after each progress review, as to whether the ECT is making satisfactory progress.

5.4 Role of the induction mentor

The induction mentor is expected to:

- Regularly meet with the ECT for structured mentoring sessions to provide targeted feedback;

- Work with the ECT and colleagues to make sure the ECT receives a high-quality ITTECF-based induction programme;
- Provide, or broker, effective support, including subject- or phase-specific coaching;
- Take prompt action if the ECT is having difficulties.

Mentoring sessions should be timetabled during teaching hours.

5.5 Role of the governing body

The governing body will:

- Make sure the school complies with statutory guidance on ECT induction;
- Be satisfied that the school has the capacity to support the ECT;
- Make sure the headteacher is fulfilling their responsibility to meet the requirements of a suitable induction post;
- Investigate concerns raised by the ECT as part of the school's grievance procedures;
- If it has any concerns or questions, seek guidance from the appropriate body on the quality of the induction arrangements and the roles and responsibilities of staff involved in the process
- If it wishes, request general reports on the progress of the ECT on a termly basis.

6. Monitoring arrangements

This policy will be reviewed annually by the Induction Tutor. At every review, it will be approved by the full governing body.
