St. Mary's mission: To love God above all things by: learning together, loving ourselves, loving each other, loving all people, loving life itself and constantly striving for excellence worthy of our God-given gifts.

November is dedicated to the Holy Souls.

Our theme for the Autumn term is: 'Families and Communities'
Our virtues for this half term are: - 'Faith-filled and Hopeful'

27th November 2026

Dear parents and carers,

During this final week of the liturgical year, we have both celebrated and reflected upon Christ the King - a King of humility, compassion and service. We are truly seeing these virtues lived out through your generous support of our Reverse Advent Calendar for Father Hudson's Caritas and Toy Donation appeal. We are still accepting donations for our charity appeals - details of the food/toys that we are collecting are in this newsletter. "***Truly, I say to you, as you did it to one of the least of my brothers and sisters, you did it to me***." Matthew 25:40.

This newsletter contains some very important information about the outcome of the consultation on academisation and the ongoing consultation on admissions. I would ask that you to read this carefully. Further updates about the academisation process and admissions consultation will be published in future newsletters.

In other news, Year 5 enjoyed a trip to Harborne Library this week and we are so grateful that these visits are able to continue. The children get immeasurable joy from being able to browse the shelves of our beloved local library. On Tuesday, we were also blessed to welcome a large working party of Year 6 teachers from local Catholic primary schools to undertake writing moderation. This collaboration of schools gathers at our school biannually to moderate, drawing on our considerable experience and skill in teaching, assessing and moderating writing.

A personal highlight of the week has been seeing the truly outstanding work undertaken by our children. I was particularly amazed by the artwork of Raika in Year 5, who has certainly nurtured his wonderful gift for painting. I am beginning to curate a wonderfully large gallery in my office showcasing all the work of our talented children!

As we enter the season of Advent on Sunday, we begin preparing our hearts for the coming of Jesus, reflecting on the theme of hope, remembering God's promises and looking forward with joyful anticipation to the coming of our Saviour. Alongside this time of reflection, next week's Christmas discos will mark the beginning of a month of festive celebrations and special events, creating many joyful memories for our children as we journey towards Christmas. Once again, I am very much looking forward to enjoying all the festivities with children, staff and families.

Wishing you all a peaceful and safe weekend,
Mrs Yorke,
Headteacher

We pray for those who have died in November

Catholic Life

Matthew 25:31

'At that time: Jesus said to His disciples, "When the Son of Man comes in His glory, and all the angels with Him, then He will sit on His glorious throne."'

Reflecting on this week's Gospel message, God wants us

- Acknowledge Jesus as our King.
- Recognise that Jesus' kingship is one of service: uniting, healing, protecting and leading us.
- Glorify Him by following Jesus, the true King.

Masses

Year 2 Mass - 25.11.26 - Christ the King

Thank you Year 2 for your beautiful readings in Mass this week, as we learnt more about what Christ the King can teach us about service and love of others.

Our next Mass: Year 3 Mass - Advent Week 1

Our next Mass in Church will be on **Wednesday 2nd December 2026**, starting promptly at 9:15am. This will be a Year 3 Mass reflecting upon Hope in this first week of Advent. Year 4 will be attending also and all parents are welcome to join us - we ask that you sit in the old part of the Church.

Serenity prayer

God, grant me the serenity to accept the things I cannot change;
courage to change the things I can; and wisdom to know the difference

Amen

Reverse Advent Calendar

This year, every school in the Archdiocese has been invited to collect non-perishable food items, including **dried foods (such as pasta and rice), sauces, tinned foods, biscuits, crisps and any suitable Christmas food items.** The donated food will be used to create hampers for distribution across FHC projects before Christmas.

We will be collecting donations in school until Friday 4th December.

Thank you for your support.

Our Community Work

Parish/PTA Christmas Fair

A huge thank you to our PTA for their efforts at the Parish/PTA Christmas Fair last Saturday. It was incredible - the event was a stand-out success. The PTA worked so hard all weekend and, in particular, creating such a wonderful grotto for Santa. Santa was very well looked after at the Fair by the Elves also, so he will be rested and ready to go on Christmas Eve! Thank you to all our families who supported this wonderful event.

Remembering a Special Part of St Mary's History

We were delighted to welcome Roger Boden to school on Wednesday for the installation of a commemorative plaque marking a special tree planted in memory of his father, Leslie Boden, and mother, Katherine Boden. Leslie Boden served as Headteacher of St Mary's from 1957 to 1987, and during that time his children, including Roger, also attended the school.

Staff gathered together to mark the occasion and celebrate Mr Boden's lasting contribution to the St Mary's community. Roger and his family have been warmly invited to return during the warmer months to see the tree and enjoy the school grounds once again in full bloom.

It was a wonderful opportunity to honour an important part of our school's heritage and to reflect on the generations of children, families and staff who have helped shape St Mary's rich history. Connecting with our past in this way reminds us of the enduring values and strong sense of community that continue to define our school today.

Academies Consultation Outcome

On 11 July 2024, Archbishop Bernard Longley outlined a new plan for our Catholic schools. The goal is to move from collaboration to shared responsibility by bringing all Catholic schools into a smaller number of stronger, flourishing Catholic Multi Academy Trusts (CMATs). After consulting widely, the Diocesan Trustees have approved the formation of a new CMAT, merging some existing academies and voluntary aided schools.

The first step towards forming the CMAT is the merger of Emmaus Catholic MAC, Lumen Christi Catholic MAC, Our Lady and All Saints Catholic MAC, and four Voluntary Aided schools, St Alban's Catholic Primary School, King's Heath, St Dunstan's Catholic Primary School, King's Heath, St Jude's Catholic Primary School, Birmingham, St Mary's Catholic Primary School, Harborne. From 1 September 2027, Emmaus Catholic MAC, Lumen Christi Catholic MAC, Our Lady and All Saints Catholic MAC and the four VA schools will form a new CMAT which will be called, St. Michael the Archangel CMAT.

As part of this stage of the CMAT formation, consultation took place between 25th September 2026 to 13th November 2026 and parents, staff, parishes, and wider community of our schools were invited to submit feedback or comments. IN ALL THINGS LOVE

25th September 2026

Dear parents, carers, staff, parish and wider community,

Academisation Development Consultation about the Vision

On 11 July 2024, Archbishop Bernard Longley outlined a new plan for our Catholic schools. The goal is to move from collaboration to shared responsibility by bringing all Catholic schools into a smaller number of stronger, flourishing Catholic Multi Academy Trusts (CMATs). After consulting widely, the Diocesan Trustees have approved the formation of a new CMAT, merging some existing academies and voluntary aided schools.

What is being proposed?

The first step towards forming the CMAT is the merger of Emmaus Catholic MAC, Lumen Christi Catholic MAC, and Our Lady and All Saints Catholic MAC, along with the addition of four Voluntary Aided schools. This consultation process relates only to this stage of the CMAT formation. From 1 September 2027, Emmaus Catholic MAC, Lumen Christi Catholic MAC, Our Lady and All Saints Catholic MAC and the four VA schools will form a new CMAT which will be called, St. Michael the Archangel CMAT.

The three MACs and four VA schools are as follows:

	Number of Schools	Secondary	Primary	Pupils Jan 2026 Census
Emmaus Catholic MAC	14	1	13	3787
Lumen Christi Catholic MAC	9	1	8	3126
Our Lady and All Saints Catholic MAC	14	2	12	3544
VA Schools				
St Alban's, Kings Heath	4	0	4	207
St Dunstan's, Kings Heath				262
St Jude's, Birmingham				187
St Mary's, Harborne				418
Totals	41	4	37	13,531

Through the Diocesan mission to form Christ-centred pilgrims of hope with kind hearts, questioning minds, a thirst for knowledge and a hunger for justice, St. Michael the Archangel CMAT will serve its children and communities through the creation of structures that will reduce the workload for staff and schools, ensure the delivery of the highest quality Catholic education and provide the economies of scale needed in these challenging times.

Why merge schools into a larger Trust?
By combining schools into a bigger Trust, staff workload can be reduced, resources can be shared, and schools can focus on delivering high quality Catholic education. This setup can also create cost savings, which will benefit all schools involved.

How will a larger Trust benefit the schools?
Large, well-managed Trusts have several advantages for the students, staff, parishes and communities:

- Catholic mission and values: The Trust will maintain and develop a strong focus on our Catholic mission and values including outstanding chaplaincy across all schools.
- More resources: Larger Trusts can access more funding and manage it more effectively. This can mean new buildings, better teaching resources, and more support for students and staff.
- Support for school communities: Strong Trusts can quickly provide extra staff or resources to schools that need them.
- Career development for staff: Teachers and staff will have more opportunities for growth without leaving the classroom.

How will a larger Trust benefit children in our schools?
This development will strengthen the education we provide, ensuring that every child receives an excellent Catholic education that nurtures academic achievement, personal development, and faith formation, enabling them to flourish as confident and successful learners.

Who will lead St. Michael the Archangel?
The CEO of the Trust will be Suzanne Horan. Suzanne is currently CEO of both Emmaus Catholic MAC and Lumen Christi Catholic MAC. Suzanne will be challenged and supported by a highly skilled Board of Directors.

How have the schools been allocated to the new CMAT?
Diocesan Education Service officers, working with Diocesan Trustees and the Department for Education, have considered a range of factors including Local Authority, parishes, number and phase of schools and pupils, finances and current academy and voluntary aided status. Primary/first feeder schools will continue to be allocated to the same Trusts as their Catholic secondary/middle school.

How will we be able to influence decisions in such a large Trust? Will we lose our identity?
No. Schools will remain deeply connected to their communities, and the Trust will ensure that each school's individuality is respected and celebrated. Local governing bodies will continue to play a key role in making sure the school's needs and voices are heard.

Will our school feel lost in the larger organisation?
To the contrary, successful Trusts are rooted in the communities that they serve. CMAT leaders will be required to engage with school communities.

What will be the role of the local governing body?
As stated above, successful Trusts and schools are rooted in their communities. In the larger CMAT, the role of the local governing body becomes even more important as a means to ensuring the local community are represented and listened to. Local governing bodies are the eyes and ears of the Board in ensuring the school and CMAT are meeting the requirements of a strong and flourishing CMAT.

Will there be more money for my school?
Money for school buildings is paid directly to larger Trusts and that opens many doors for the CMAT to work with their schools to grasp the opportunities of managing their estates.

In addition, the significant economies of scale will result in a more effective use of funds across the Academy Trust leading to additional resources for schools and pupils where required. This support can be provided in different ways: SEND, pupil premium, education performance, estates management, administration support, parish and community engagement, and will vary depending on need.

What is the timescale for the new vision?
Diocesan Trustees, Trust leaders and the DfE will work together for the merger and academisation of the Voluntary Aided schools to be completed by September 2027.

Next steps
As part of the process, we are now consulting the parents, parishes, and wider community of our schools for the period 21st September 2026 to 13th November 2026. If you would like to make a comment about the proposal, we invite you to submit these through this link to the Comments Form, by 12:00 pm on 13th November 2026.

As we look forward, we pray for the success of St Michael the Archangel CMAT so that we can all work together in order for diocesan schools, their pupils and communities to flourish.

Yours sincerely,

Mrs L. Yorke
